FOREWORD

A Program, compiled for the entire year, is made to be for profit and enjoyment in proportion to the loyal effort given its support.

Some suggestions included for 1928 are echoes of the Lecturers conference, built in for helpful thought and study.

Brothers and Sisters, let us make this year our "BEST" year.

Be PROMPT, be PRESENT, be RESPONSIVE, and let the Traditions of Old Androscoggin be fully sustained by all.

RUNNING WATER ON THE FARM

You need not move to the city to have running water in the kitchen, milk room or barns.

Just put in an Electric Water System and you bring "city water service" to the farm. It will deliver all the water you need around the farm, day or night, summer or winter.

And its fire protection feature alone may save you the earnings of a lifetime.

Yet it costs you but a few cents a day:

With no obligation on your part whatever write in for more information. Be sure to mention your source of water supply.

Every Mother Should Read This!

MRS. ALEXANDER BRADLEY of DANBURY, CONN., SAYS: "After 14 Long Years trying different remedies I have at last found a good medicine.

Dr. True's Elixir

I was nearly discouraged. I was giving my oldest girl something every night, but now I keep a bottle of Dr. True's Elixir handy, and only give it occasionally. I have tried so many things, but now as soon as I see signs of worms I give Dr. True's Elixir,

The True Family Laxative

for quick relief." Made of strictly pure-quality herbs. Family size $1.20; other sizes 60c and 40c.

Successfully used for over 75 years.
